FINANCIAL NEEDS ASSESSMENT PAGE 2

Please respond to the following questions to provide more specific information regarding your financial need and limit your responses to the space provided.

1. Describe why your living expenses are greater than projected by the school, and/or what measures you have taken to decrease your living expenses.

2. Are you currently employed while in school? If so please describe the type of work, hours, and how this has helped defray the cost of your education. If you are not currently employed, please describe why you have chosen not to, or what responsibilities preclude you from doing so.

3. Briefly describe your long term plan for paying down your student debt

4. Please describe any other financial responsibilities or obligations that are not reflected here, that will provide us with a clearer picture of your financial need.
