JOURNAL
of the Michigan Dental Association

Statewide Coverage — All members of the Michigan Dental Association receive the *Journal*, plus dental students at both dental schools in Michigan, and a large secondary audience of dental office staff. Requested circulation has risen to over 6,500 . . . more than 75 percent of all dentists in Michigan. The *Journal* is the best way to reach Michigan dentists and their staffs.

A Proven Advertising Medium — The *Journal's* consistently large volume of advertising is a testament to its high readership and appeal. The MDA *Journal* usually runs more display and classified advertising each month than any other statewide dental publication, anywhere in the United States. More display ads, more classified ads, more Michigan readers, and more value for the money.

Quality Layout and Design — The layout and design of the MDA *Journal* have been consistently improved, providing a prestigious, modern graphic environment for advertising.

FREE Classifieds — Twelve-time advertisers receive one free classified ad (up to 30 words) per issue.
