Dr. David Smith
9:00 AM to Noon (3) CEU’s
Oral Pathology for the Dental Team

Presenter Information: Dr. David P. Smith is the Dental Hygiene Program Director at Baker College of Port Huron, Michigan. He has a Bachelor Degree in Biology (Adrian College, 1985), and earned his Doctor of Dental Surgery Degree from the University of Michigan in 1989. In 2001, he earned a Master Degree in Health Services Administration from Central Michigan University. Dr. Smith has practiced general dentistry for seven years. He currently is an instructor in both the Dental Hygiene and Dental Assisting Programs at Baker College of Port Huron. The courses he teaches in Dental Hygiene include Histology and Embryology, Head and Neck Anatomy, Pathology, Pharmacology, and Local Anesthesia. In the Dental Assisting Program, he teaches Biomedical Sciences and Radiography. He is an honorary member of Sigma Phi Alpha National Dental Hygiene Honor Society, and served ten years as a Council Member on the St. Clair City Council. He has given continuing education seminars across the United States for DHS, Inc., as well as for the St. Clair District Dental Hygienists’ Society, Detroit Periodontal Study Club and the Sarnia (Canada) Dental Hygiene Society. In October of 2012, he presented “Local Anesthesia and Nitrous Oxide Sedation for the Dental Hygienist” for the Michigan Dental Hygienists’ Association.

Course Overview: Oral Pathology for the Dental Team Objectives: Distinguish between variants of normal and pathological lesions. Identify common lesions of the oral cavity. Summarize basic information regarding oral cancer, including risk factors and clinical presentations.

Dr. Ronald Hildebrand
Lori Fredrickson, RDH, MS
1:00 to 4:00 PM (3) CEU’s
Equine Dentistry

Presenters Information: Dr. Hildebrand is a 1990 Graduate of the Virginia Maryland Regional College of Veterinary Medicine (Virginia Tech). He is the founder of the Midwest Equine Dental Academy and has been an advocate of improving equine dental health throughout the industry.

Lori Fredrickson, RDH, EqDT, is a graduate of University of Michigan School of Dental Hygiene. Lori grew up on a ranch with palomino quarter horses. After practicing as a dental hygienist for 25 years, with 10 years in the Public Health Service, she found her way back to horses through equine dentistry. Currently Lori teaches both didactic and clinical portions at the Midwest Equine Dental Academy. She also works as a dental examiner/consultant for the National Health and Nutrition Examination Survey for the Centers for Disease Prevention and Health Promotion (CDC)/

Course Overview: Presentation on the anatomical comparison of human versus equine dentition. Discussion and images of the variety of dental services provided at the Midwest Equine Dental Academy. Hands on material will be available for attendees such as horse skulls, teeth, etc.
