The Michigan Academy of General Dentistry Presents

Everything you want to know about oral surgery but were afraid to ask, New Concepts With Ron Morris, DDS, MS
Friday and Saturday, September 25 and 26 in Harbor Springs, MI

Overall Learning objectives: To simplify surgical procedures in your office and to emphasize faster “surgical” extractions without extensive bone removal and ridge preparation for immediate dentures. Simplify socket bone grafting, one-drug oral sedation, mini-implants, biopsy, and surgical complications.

Course description
Day 1, Part 1. covers routine surgeries, from extractions to impactions, palatal and mandibular tori removal, simple and complex orthodontic impacted canine exposure, socket grafting with and without membranes, infections and pain management and how to manage complications. Tips and techniques for faster and more efficient and less painful surgeries will be presented. This session will also cover anatomy, local anesthetic blocks and oral sedation. All done on life like models.
Day 2, Part 2. Deals with more advanced procedures for immediate maxillary and molar implants and immediate maxillary anterior implant placement, along with immediate abutment, temporary fabrication, and advanced soft tissue procedures for both pre-prosthetics and implants.

Friday 9/25 and Saturday 9/26: 6:30-7:30 am Registration and breakfast  7:30–11:30 morning program, 11:30-12:30 Lunch, 12:30-3:00 Afternoon Program.

Qualifies for 14 FAGD/MAGD Participation C.E. credit Hours including 1 hour pain management

Biography: Dr. Morris received his undergraduate degree from Wayne State University in 1977 and attended the University of Detroit School of Dentistry where he graduated with honours in 1981. He did a General Practice residency at Truman Medical Center in Kansas City Missouri and an oral and Maxillofacial residency at Henry Ford Hospital in Detroit, Michigan. He has been practicing Oral and Maxillofacial surgery since 1985 and is a diplomat of the American Board of Oral and Maxillofacial surgery.
He lectures and teaches human anatomy at the University of Detroit Mercy school of dentistry. He has presented nationally on anatomy, local anaesthesia, and oral and maxillofacial surgery for many years.

Refund Policy
Full tuition refund will be issued if the seminars are canceled by the MIAGD. Full tuition refund (less $100.00 non-refundable registration fee) will be issued if cancellation is received by 30 calendar days before each seminar. There’ll be no tuition refund issued for any cancellation received 29 calendar days or less before the start of each seminar. The MAGD reserves the right to change and/or cancel the locations or dates of these seminars without any prior notice.
